

# FITech Energy II agreement target groups

The FITech Energy II cross-institutional study agreement includes master's-level courses offered by FITech universities. Degree students at FITech universities whose degree programme is included in the agreement may apply to these courses in RIPA.

Application for the courses in the cross-institutional study service (RIPA) starts on August 1, 2026. *FITech reserves the right to changes.*

## FITech universities:

### **Aalto University**

Master's Programme in Automation and Electrical Engineering

Master's Programme in Hydrogen and Electric Systems

Master's Programme in Bioproducts Engineering

Master's Programme in Biotechnology

Master's Programme in Chemical and Metallurgical Engineering

Master's Programme in Chemistry and Materials Science

### **University of Eastern Finland**

All students in the Faculty of Science, Forestry and Technology and the LUMETO Doctoral Programme

### **University of Jyväskylä**

Master's programmes in the Faculty of Mathematics and Science

Master's programmes in the Faculty of Information Technology

### **LUT University**

All master's programmes in Electrical Engineering

All master's programmes in Chemical Engineering

### **University of Oulu**

All degree programmes in the Faculty of Technology

All degree programmes in the Faculty of Information Technology and Electrical Engineering

### **Tampere University**

All master's degree students at Tampere University

### **University of Turku**

All master's programmes in the Faculty of Engineering and the Faculty of Science

Doctoral Programme in Technology (DPT)

## **University of Vaasa**

Älykäs energiamurros

Sähkö- ja energiatekniikan maisteriohjelma

Tietojenkäsittelytieteiden maisteriohjelma

Tuotantotalouden maisteriohjelma

Master´s Programme in Artificial Intelligence and Analytics

Viestinnän monialainen maisteriohjelma

Hallintotieteiden maisteriohjelma

Varautumisen ja resilienssin maisteriohjelma

Henkilöstöjohtamisen maisteriohjelma

Master´s Degree Programme in Finance

Master´s Programme in Artificial Intelligence for Accounting and Finance

Laskentatoimen ja tilintarkastuksen maisteriohjelma

Liiketoiminnan kehittämisen maisteriohjelma

Markkinoinnin johtamisen maisteriohjelma

Master´s Degree Programme in International Business

Master´s Degree Programme in Strategic Business Development

Talousoikeuden maisteriohjelma

Taloustieteen maisteriohjelma

## **Åbo Akademi University**

Magisterprogram i kemi- och processteknik

Magisterprogram i informationsteknologi

Magisterprogram i matematik, fysik, kemi och geologi

Master's degree programme in Sustainable Chemical and Process Engineering

Master's degree programme in Information Technology
